The **Brundage Mountain Disc Golf Course** is a good mix of grassy open holes and a few tighter holes through the trees and brush. And the best part about disc golf at Brundage is that it's free!

Bring your own discs and enjoy the course any time you'd like. You can rent (or purchase) discs at our Fall Line Bike Shop & Retail Shop, which are open Wednesday through Sunday from 9 am-5 pm in the Main Lodge.
